

A bit more about us!

Here's a little bit about our 'Coats for Christmas Campaign'

Our Coats for Christmas initiative is geared towards aiding the homeless during the winter season. With over 523 rough sleepers in our vicinity, we feel fortunate to be in a position to give back to our local community. This effort is our driving force, our 'Just Cause,' inspiring us every morning to make a difference. It's been a busy few weeks contacting local estate agents to see if they would be willing to be a drop point for donations. The response from these agents has been incredible—we've been amazed by the number willing to participate and provide convenient locations for people to donate their items. Our goal in involving local estate agents was to maximize engagement for the campaign and facilitate easier donation opportunities for everyone involved.

Who are we?

We are Goddard Dunbar & Associates, a local and friendly law firm with offices located in Staffordshire and Crewe. We take pride in our law firm's friendly approach. While law firms often carry a more formal reputation, we're dedicated to breaking that stereotype creating a welcoming atmosphere for all clients. Shortly after our establishment, our Managing Director, Jim Goddard, felt that we needed a mascot. That's when Jack the Dog, a friendly Jack Russell soft toy, made his way into our office. Jack is prominently featured on our website, social media, and accompanies us on all our visits. We believe Jack serves as a fantastic icebreaker, especially for those who might feel a bit nervous about visiting a 'solicitors' office. He adds a charming, approachable touch to our environment.
